The Labels for Education program is winding down.

In the past few years participation in *Labels for Education*® has declined and as a result, Campbell has come to the very difficult decision to wind down the LFE program. The program will continue exactly as is for the remainder of the 2015-2016 LFE program year. There will be changes for next year's program starting August 1, 2016. Through July 31, 2016 new and registered schools can still Clip and Submit UPCs and Beverage/Sauce Caps to their Coordinator for points into their school's bank account.
